Denise,

I have (hopefully) attached the registration form to this email. I filled out what I could, though I don't know how the program was paid for nor could I actually sign the form. If you need the actual signatures, let me know and I will print it out and sign it. Also, I don't know what my lab's fax number is (or where it is either).

Sonja

Dear QA Primer Participant,

Please find attached a registration form for the course you attended yesterday. At your earliest convenience, could you please fill it out and return it to me via e-mail or internal mail, as I need to report this information to the CDC. Thanks very much.
